

Raleigh, North Carolina

September 16 & 17, 2023

Welcome to the DogGoneFast FlyBall!

Thank you for your entries for our tourney; we have 30 teams, and we will have 1 ring.

Please check the other links on our web site for seed chart, racing schedule, detailed directions, and maps.

Please support our silent auction! All bids need to be placed before 2pm on Sunday. You do not need to be present to win, we will make sure you receive your item if you have the winning bid.

The fairgrounds is a busy location so please keep a watchful eye on your possessions, be observant of the crating areas; let us know if you see any issues.

There is a HOME NC STATE football game at 2pm on Saturday with lots of tailgating, please be aware of traffic issues associated with this when planning your comings and goings, and remember this may cause additional foot traffic through your camping/crating areas.

The Carolina Hurricanes are holding their 5K fundraiser on Sunday at 8:30am. There will be lots of runners/walkers around the arena and football complex, which are across the street from the fairgrounds.

There will NOT be indoor crating at this event.

### **Welcome Gifts**

### **Racing Format**

The Racing Format is described on the seed chart. Warm-ups will be 120 seconds on both days. Warm-up time may be reduced if necessary. Please use the assigned doors for entering and exiting the ring and do not cross behind the lanes while teams are racing.

We will be using the flyball geek website to provide online access to team racing, team on deck and team in the hole. Jeremy Meeler will be setting up APES for us this weekend. Thank you Jeremy!

As a reminder, you must advise the judge that you wish a false start practice before the warmup period has completed.

### **Judges and Acting RD**

Our judge will be Bryan Roper and Jon Bescher. Please thank our judges!

Jackie Alcott from BBC will be our acting RD.

Thank you!
