

Raleigh, North Carolina

September 14th & 15th, 2024

DogGoneFast and Turbo Paws welcome you to The FlyBall!

Thank you for your entries for our tourney; we have 41 teams, and we will have 2 rings.

Please check the other links on our web site for seed chart, racing schedule, detailed directions, and maps.

Please support our raffle table! All tickets need to be placed before 1pm on Sunday. You do not need to be present to win, we will make sure you receive your item if you have the winning ticket.

The fairgrounds is a busy location so please keep a watchful eye on your possessions, be observant of your camping/crating areas; let us know if you see any issues.

There is a HOME NC STATE football game at 2pm on Saturday with lots of tailgating, please be aware of traffic issues associated with this when planning your comings and goings, and remember this may cause additional foot traffic through your camping/crating areas.

There will NOT be indoor crating at this event.

Welcome Gifts

Please be sure to pick up your welcome gifts!

Racing Format

The Racing Format is described on the seed chart. Warm-ups will be 120 seconds on both days. Warm-up time may be reduced if necessary. Please use the assigned doors for entering and exiting the ring and do not cross behind the lanes while teams are racing.

We will be using the flyball geek website to provide online access to team racing, team on deck and team in the hole. Jeremy Meeler will be setting up APES in both rings for us this weekend. Thank you Jeremy!

As a reminder, you must advise the judge that you wish a false start practice before the warmup period has completed.

Judges and Acting RD

Our judges will be Bryan Roper, Dirk Elber, Carle Lee Detweiler, and Patricia Howell. Please thank our judges! Teresa Pownall from DogDash will be our acting RD. Thank you!

Venue Information

The Holshouser building will be open until 8pm on Friday night; you may drop off your flyball boxes after 4pm if you wish. There will be NO indoor crating for clubs in attendance.

Please note that there is no reserved parking at the Holshouser Building. Parking is first come, first served each day.

Friday Night Racing

YES, we are holding Single Dog Racing on Friday night! Mat time is 5 minutes for \$5. You may run against someone or unopposed. Please note that reserving both lanes will be \$10. We have received permission to use the NAFA EJS during Single Dog Racing. Sign up online for the DGF ring. Sign up for the Turbo Paws ring starts at 4pm, and we plan to start the SDR by 5pm.

Saturday only mid-day break

We will be having a 45 minute break after race 49 on Saturday for a special awards ceremony (as we have done previously). We will give everyone 10 minutes to walk out and put up the dogs that were in Race 49, and then we will all gather outside the Holshouser Building for the presentations. We will provide plenty of time after the presentations for the teams in Race 50 to prepare.
